**CONSUMER FLYER**

Designed for use with your home care clients and prospects, NPDA's new consumer flyer explains why doing business with you – a member of the NPDA is a wise option.

Now available as a **free download** on the NPDA website. Go to [www.privatedutyhomecare.org](http://www.privatedutyhomecare.org). Click on "NPDA Members" and look for "Private Duty Home Care – Enjoy The Peace of Mind" in the drop down box.

**LEVELS OF CARE EXAMS**

This helpful tool will help you to evaluate the competency of a caregiver. Whether testing at the Homemaker/Companion; Personal Care Assistant; or Home Health Aide level, these exams will help you to evaluate the caregivers in your agency.

Provided **free of charge** to NPDA members, all three exams and answer keys are available at the NPDA website. Go to [www.privatedutyhomecare.org](http://www.privatedutyhomecare.org) and click on "Levels of Care Exams for Caregivers" found on the home page. Login required.

**CYBRARY**

Have you missed a NPDA Teleconference due to your busy schedule? Monthly Teleconferences are available online as part of the NPDA's educational cybrary. Our online courses are just what you need to fit high-level learning into NPDA members and include Internet Understanding Parkinson's Disease: Seniors Through Their Boomer

your schedule. Topics are tailor made for Marketing - Making it Work for You, Improving the Care We Give, Reaching Children, and more. Go to [www.privatedutyhomecare.org](http://www.privatedutyhomecare.org). Login and fee required.

**NPDA MEMBER FORUM**

This new NPDA Member Forum is an interactive tool similar to the NPDA Member List-serve and will eventually replace the current list-serve format. The NPDA Member Forum will allow members to interact with one another and also allow NPDA to archive the great conversations that typically occur among our members so they may be accessed for future reference.

Each member will be responsible for subscribing to the NPDA Member Forum. To get started, please visit the NPDA website at [www.privatedutyhomecare.org](http://www.privatedutyhomecare.org). On the homepage, select the tab "NPDA Members" and the drop down box "General Information." You will be prompted for your username and password to login to the NPDA website. Once logged in, the Members Only section will appear and "NEW: NPDA Member Forum" will be the first selection.

User instructions on how to post a new topic, reply to a topic, set your signature block and subscribe to the digest are available once you are logged in.
